

## **JUDGES SUB GROUP:**

They agreed that the role of the show Manager should be looked at to develop a minimum competency requirement, as it is a very important role that requires the Show Manager to have a good knowledge of how shows are run, and how rings should be managed.

They agreed that Accredited Trainers Authority at shows should be supported.

Unfortunately, the planned meeting to for judges trainers to be re-accredited has been unable to take place, so this is still an outstanding item.

The Rules and Regulations Exam is now easier to access on the KC's new platform and this is currently still Free of Charge. But it has highlighted that a few questions are being repeated and there are also a couple of incorrect questions. We are currently going through all the questions again to rectify these issues.
